OLD FASHIONEDS

GIN OLD FASHIONED 15

This girl has a touch of early grey, orange bitters and lemon oil.

OAXACAN OLD FASHIONED 15

Made with tequila and mezcal and burnt orange oil. This is it. This is the one.

RUM OLD FASHIONED 15

This old fashioned is made with funky Navy proof rum and a bit of banana.

THE JAMES 15

Our house old fashioned, the best drink ever made, has notes of vanilla and fig.

COCKTAILS

CHELSEA MAE 15

A beautiful gin sour with earl grey and, of course, an egg white.

GIN-GERS PARADISE 14

Here we have ford's gin with serrano hellfire bitters and fizzy ginger.

THE PERFECT WIFE 14

This margarita riff has notes of cinnamon and orange.

COBBLER'S MULE 14

Our take on a moscow mule, theoretically with seasonal fruit.

CARAJILLO 16

We dial down the sweetness of this traditional espresso and vanilla drink, but it's still a sweet after-dinner delight.

MEET ME AT MIDNIGHT 14

Like a lemondrop, but lavender. A vodka lavenderdrop? Sure. For all of you tortured poet fans.

BABY PINK GIRAFFE 14

This vodka drink has pineapple, pomegranate, and a touch of cinnamon.

NATITUDE PROBLEM 14

This take on a manhattan uses averna and apple brandy as its sweetener.

THE DEVIL IN MEXICO 15

Like living in Adam Turla's brain, this mezcal negroni is slightly more approachable, but will still light the fire inside your belly.

OTHER SIDE OF PARADISE 14

Strawberries and serranos. This vodka cocktail is sweet and spicy. Like Corey.

THE HIGH GROUNDS 16

The scaffa style drink (from Mustafar) is a room temperature after dinner drink with notes of coffee, chocolate and orange. And bourbon. A lot of bourbon.

NON-ALCOHOLIC TIPPLES

PASSENGER SIDE 12

Sometimes you DO want shrubs. This seasonal shrub cocktail changes with our mood. It's tart and tangy though.

GEN S 11

What do the young people like? Who knows, but maybe it's coconut cream, lavender, orange and lime in a fancy glass.

BABY PINK BULL 12

You know it, you love it. No vodka, add Redbull, so now 100% less likely to make you drunk and 100% percent more likely to make you able to fight an actual giraffe. You shouldn't though.

CA-BRE SUN 12

Lime, grapefruit and ginger. We'll do the straw for you; that's the hard part. Does not come with a spray tan.
